RE: FTA Section 5307 1% Transit Enhancement Set-asides

Dear Leslie:

The Transportation Equity Act for the 21st Century (TEA-21) and subsequent extension bills, stipulate that urbanized areas (UA) with populations 200,000 and over must set aside at least 1% of their annual Section 5307 apportionment for transit enhancement projects. The MTC region has five urbanized areas; San Francisco-Oakland (SF/O), San Jose (SJ), Concord, Antioch, and Santa Rosa (SR), that are subject to this provision, and as the designated fund recipient for these urbanized areas, we have set aside the following funds from our annual apportionment for this purpose.

**1% Enhancement Set-Aside for
the MTC Region's Large Urbanized Areas**

<u>Fiscal Year</u>	<u>San Francisco- Oakland</u>	<u>San Jose</u>	<u>Concord</u>	<u>Antioch</u>	<u>Santa Rosa</u>

Applicants in urbanized areas with populations of 200,000 or more who receive Section 5307 funds are required to report to FTA the transit enhancement projects that have been scheduled to move forward during the preceding fiscal year. As the designated recipient, MTC is submitting this letter on behalf of the applicants in the San Francisco-Oakland, San Jose, Concord, Antioch, and Santa Rosa Urbanized Areas. This notification will serve as the required certification and assurances, among others, that operators must submit prior to release of their grants.

We also understand that FTA requires a report showing the progress for each designated enhancement project. The February 11th Federal Register states "the report

must be submitted with the Federal fiscal year's final quarterly progress report in the TEAM System." We have notified the project sponsors concerned of this requirement. In the interim, we have provided a report, Attachment 1, which captures the requirements summarized in the Federal Register on Attachment I to this letter.

If you have any questions regarding the above program, please contact Kate Miller of my staff at 510-464-7722.

Sincerely,

A handwritten signature in black ink, appearing to read "Steve", written over the word "Sincerely,".
